

## Working Alone and/or After Hours Plan

1. It is the responsibility of the worker and the supervisor to identify hazardous agents or activities which arise from the conditions and circumstances of the work to be completed alone and/or after hours.
2. It is expected the only work that cannot be reasonably completed during normal working hours be considered.
3. Handling hazardous substances, using hazardous equipment and/or performing hazardous activities are prohibited if working alone (at least two trained workers are required for these activities).
